Introduction

Knitwin enables brands to create fully customized apparel collections across multiple categories, materials and design requirements.

From everyday essentials to complex garments, our production capabilities support a wide range of styles, fits and finishing techniques allowing brands to bring their vision to life without limitation.

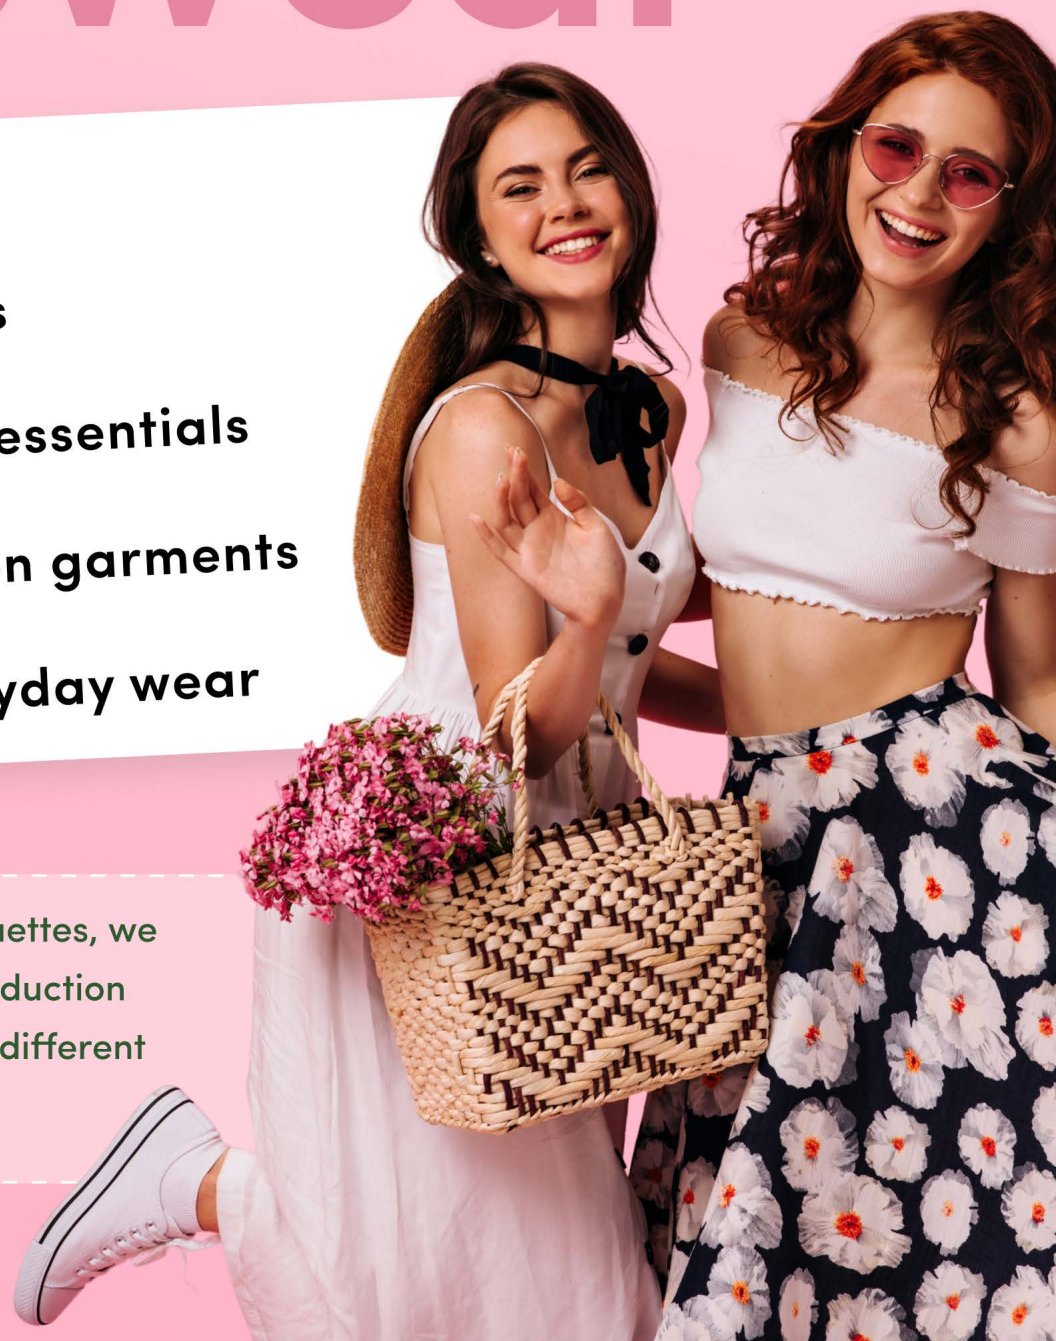

WomensWear

- ✔ T-shirts and tops
- ✔ Dresses and skirts
- ✔ Loungewear and essentials
- ✔ Lightweight woven garments
- ✔ Sustainable everyday wear

From casual basics to refined silhouettes, we support the development and production of womenswear collections across different styles and product types.

Customization Options for WomensWear

- ✔ Flexible fabric options
- ✔ Custom fits and sizing
- ✔ Print and embroidery integration
- ✔ Dyeing and garment finishing
- ✔ Scalable production for collections

MensWear

- ✔ T-shirts and polos
- ✔ Shirts and lightweight wovens
- ✔ Casualwear and essentials
- ✔ Streetwear-inspired styles
- ✔ Sustainable core collections

We support the production of modern menswear collections, combining functionality, comfort and durability across a wide range of product types.

Built for Everyday Wear

- ✔ Durable materials and construction
- ✔ Custom trims and branding
- ✔ Consistent sizing and fit
- ✔ Multiple finishing options
- ✔ Reliable repeat production

ChildrensWear

- ✔ Babywear and infant collections
- ✔ Kidswear and everyday essentials
- ✔ Soft and skin-friendly fabrics
- ✔ Durable construction for active use
- ✔ Safe and compliant materials

Childrenswear represents a core strength of our production, combining safety, comfort and durability with sustainable materials.

Designed for Comfort and Safety

- ✔ Certified organic fabrics
- ✔ Non-toxic dyes and treatments
- ✔ Comfortable fits and soft finishes
- ✔ Custom prints and playful designs
- ✔ Consistent quality across production

Materials in Action

Materials That Define the Product

- ✔ Organic cotton and natural fibres
- ✔ Recycled materials
- ✔ Lenzing fibres (Tencel™, Modal™, EcoVero™)
- ✔ Custom-developed fabrics
- ✔ Knitted and woven constructions

Material selection is a key factor in product performance, feel and sustainability. We work with a wide range of certified fibres and blends to match the exact requirements of each collection.

Dyes, prints and accessories options

Dyes: 100% natural or low impact fibre reactive

Printing: rotary, screen or digital

Embroidery: machine and computer

YKK zippers and snaps

Labelling: Printed Organic Cotton / Recycled

Hang Tags: Organic cotton recycled paper

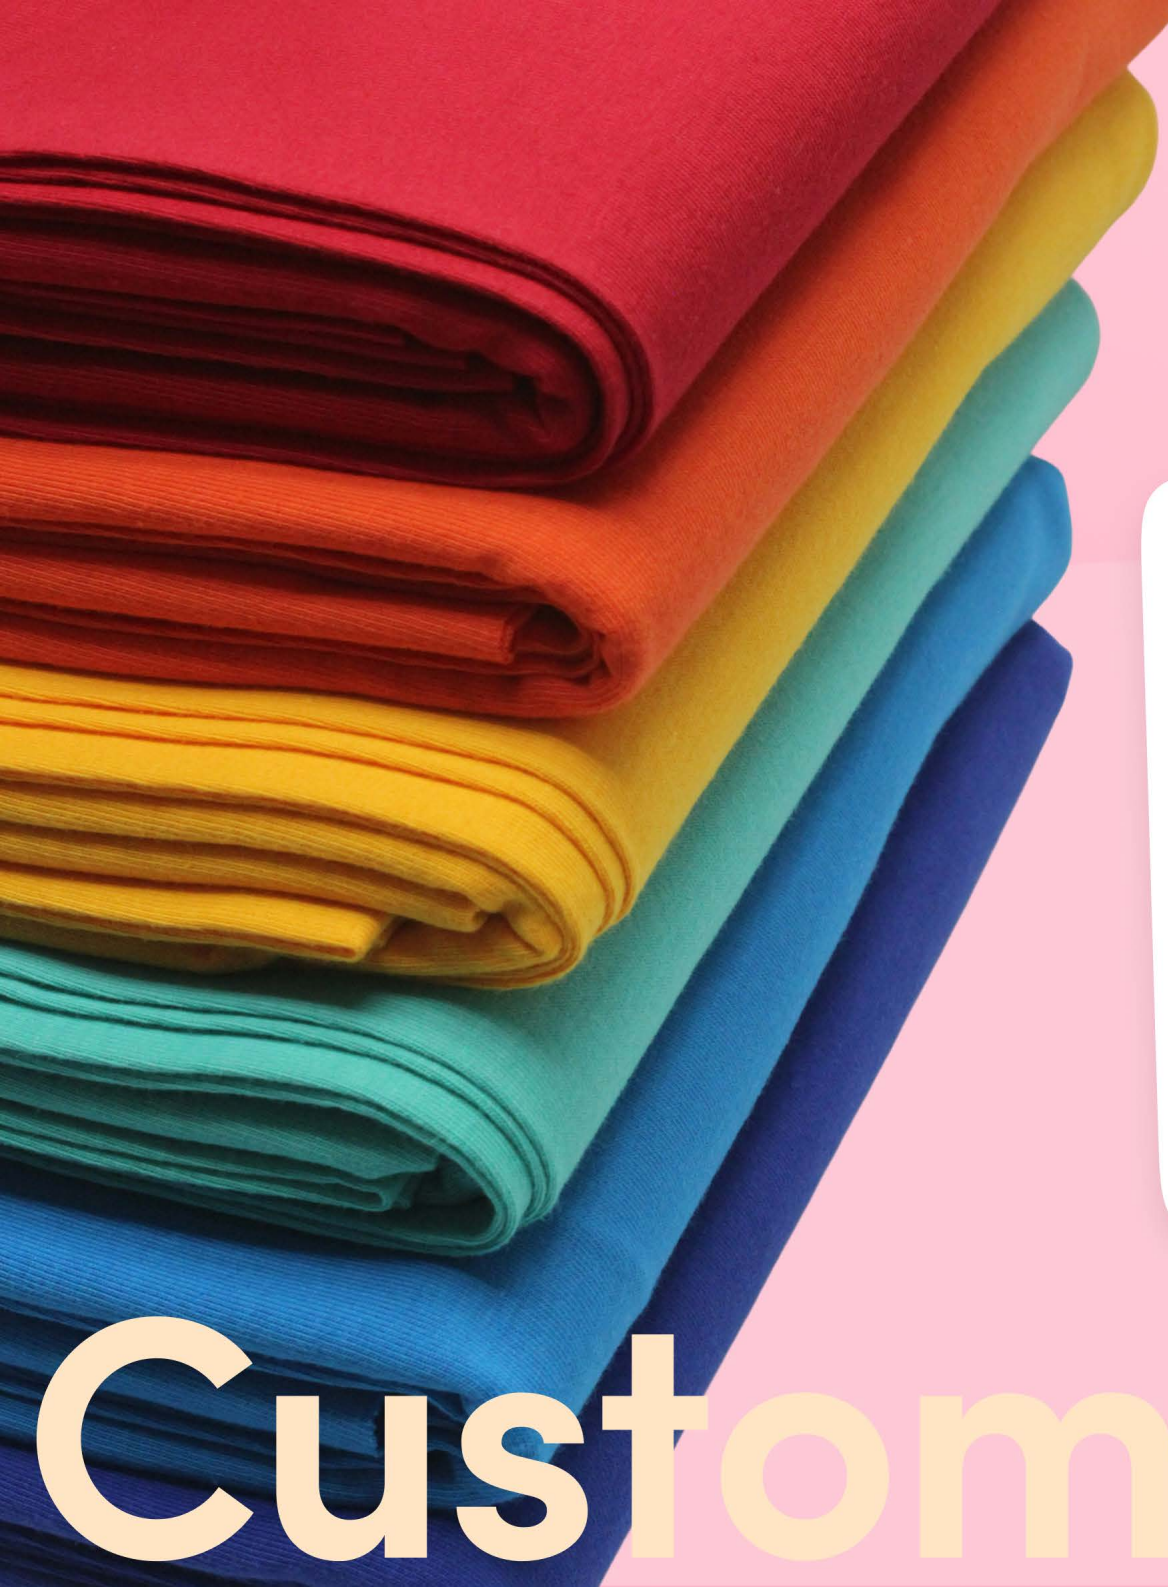

Details That Make the Difference

Finishing and detailing define the final product.

Our capabilities allow brands to fully customize every aspect of their garments.
